

FIRE EXPLORING

Fire Exploring is open to young men and women ages 14 (and completed the 8th grade) through 20 years old with an interest in learning more about careers in the field of Fire & Emergency Services. It is a hands-on program that exposes participants to many career experiences, leadership opportunities, and community service activities. The primary goals of the program are to help young adults choose a career path within fire and emergency services and to challenge them to become responsible citizens of their communities and country. You get to experience firsthand what it's like to be a volunteer Fire fighter through firefighting training.

You will learn:

- Emergency call protocols
- Firefighting policies & procedures
- Team Building
- Proper Equipment Usage

Fire Exploring will provide you with the following benefits:

- Improved self-confidence
- Leadership experience and social network development
- Fun and Exciting "hands-on" career experiences
- Community service opportunities

When do meetings take place?

The Stephens County Fire Exploring post meets every 2nd Thursday of the month at 6:30pm at the Community Building on Camden Court beside the basketball court. They also meet one Saturday a month for more indepth training.

Who do I contact for more information?
