

Application for previous owned Manufactured Homes

Applicant Name _____

Address _____

Year _____ Manufacturer _____ Serial Number _____

HUD Plaque Number _____

Current Location of Home _____

Items to be attached to this application

1. Plat of land where the manufactured home will be relocated, (must be a stamped survey plat or a copy of recorded plat).
2. Location of septic or sewer tap on receipt, or approved septic permit.
3. Layout or sketch of the manufactured home (does not have to be to scale but should show basic interior wall layouts with bath(s), kitchen etc.).

Stephens County Building Inspector will inspect the basic condition of home at the applicant's expense and inspection report will be presented to the Building Department.

Inspection fees: driving and inspection time billed at \$45.00. After the above conditions have been met and all fees paid, Applicant may contact the Building Department to purchase a building permit.

I have read the above and agree to all conditions of this application,
